jeg er skyggen bak gardinen, jeg er dyret under
senga, jeg er lydene fra skapet, jeg er stemmene
i hodet, Dine hjelpeløse skrik, jeg nyter din panikk,
når jeg tar deg med i graven til de levende lik.
Som når din far og mor, de bare tror på det de
kan se. De sier at jeg ikke finnes, men hva vet de om
det? de sover når jeg kommer og de ligger i pysj,
Det e'kke DEM jeg besøker når du slukker ditt lys...!

jeg kommer, jeg kommer,
jeg kommer for å ta deg..!!
jeg kommer i natt og tar deg..
ødelegger alt det som er
sikkert og trygt.
Paranoia så det holder,
så jeg kjenner din frykt!!

Just insane Part 1
